UNIVERSITY OF ILLINOIS AT CHICAGO DEPARTMENT OF MEDICINE

MEDICINE GRAND ROUNDS

“Lessons Learned from the Liver: Should We Re-consider Our Approach to Subspecialty Education Within Internal Medicine Residency Training?”

Adam E. Mikolajczyk, MD

Assistant Professor of Medicine
Transplant Hepatology
University of Illinois at Chicago

Tuesday, December 3 2019

12:00-1:00pm

COLLEGE OF MEDICINE WEST TOWER

ROOM 227

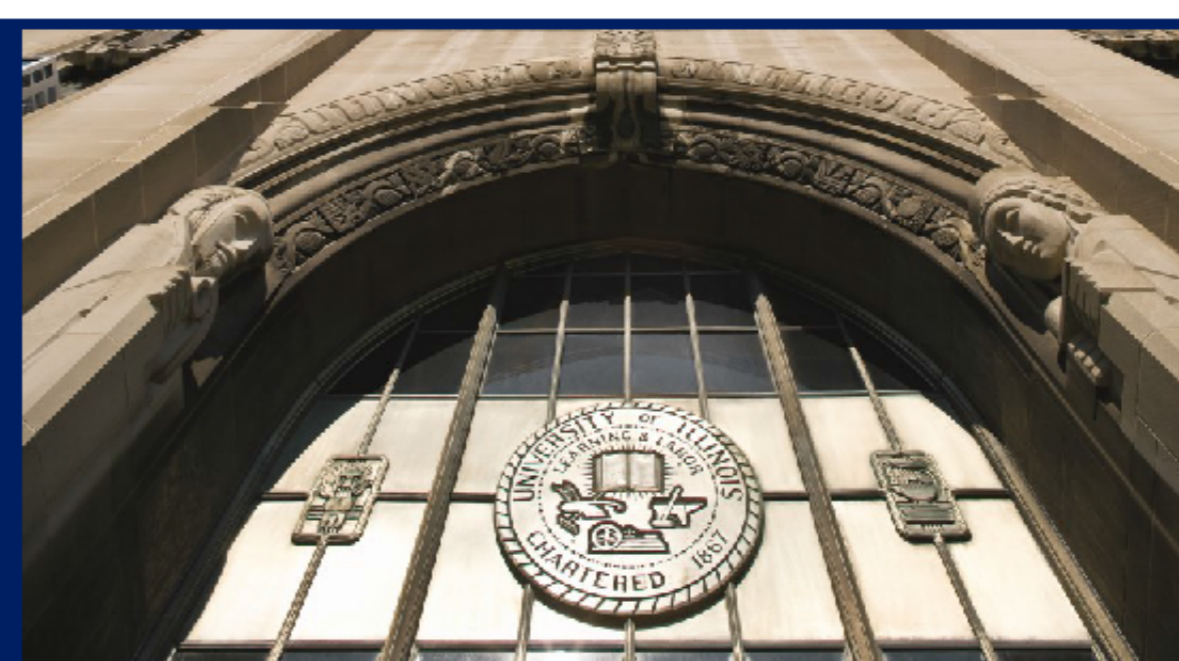

OBJECTIVES:

Upon completion of this activity, participants will be able to:

- ⇒ Realize the importance of incorporating hepatology within Internal Medicine residency training
- ⇒ Identify the short-term and long-term outcomes of implementation of non-elective hepatology-focused educational interventions
- ⇒ Detect the limitations of elective education within Internal Medicine subspecialties

CONTINUING MEDICAL EDUCATION

The University of Illinois College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The University of Illinois College of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
